Annual Work Requirement

Starting January 1, renewals will need to show they've completed 12 hours of work for the club. If a renewing member does not have 12 hours of service, their membership will include a \$100 surcharge. But there is a way to reduce that cost: Work for the club! The new requirement is 12 hours per year doing something to enhance and help our club be the kind of place you want to come shoot, every 10 or 15 minutes counts, it all adds up.

A suggested list is attached to this Newsletter. It is the individual members responsibility to keep track, and submit their list with their renewal in order to keep their dues at the lower amount of \$100. We are now holding monthly working parties, starting at 11am on the Sundays after the meetings which will give plenty of opportunities to get 12 hours in before you renew.

Renewals without the hours requirement (\$200) will be available online. To submit your hours with your \$100 renewal fee you will need to print and mail it or present it in person at the meeting.

December Raffle

The raffle item for this year (2023) will be a Heritage Single Action .22 LR and .22 Mag Pistol.

Tickets will be sold every month until December (2024) when the winner will be drawn! Come see this one, it's one fun shooter with a serious side!

Training

There are no scheduled classes this month.

New Work Party Chairman

We have a volunteer to fill this new position. Richard Myers will be coordinating with committee chairs, scheduling work dates (we anticipate monthly working parties), providing access to tools & equipment, reaching out to members, prioritizing work and other related tasks.

Benches on new pistol bay

Center pistol bay benches may be moved to the left pistol bay for use but must be returned to the center bay when finished. The benches are **not** waterproof and we don't want them left out in the weather. Those who move benches and leave them will be found and dealt with!

Also, for the new benches to be built, we're looking for carpet swatches like we have on the center bay.

Website Users

NWSA Members need to register on the website before they can fully use the site. And once registered, you need to log in to your NWSA site account once in a while. Website accounts that have not been logged into for more than a year are deleted. And if you are considering renewing your membership through our website, do not let your account lapse! Online renewals are only available for CURRENT members.

Newsletter & Corrections

Submissions for the NWSA Newsletter must be received by the Trustee's Meeting (3rd Wednesday). And if you find an error, please report it to the General Secretary right away. If possible, the correction will be in the next month's Newsletter. Email to NWSA.Training@gmail.com
