Annual Work Requirement

Starting January 1, renewals will need to show they've completed 12 hours of work for the club. If a renewing member does not have 12 hours of service, their membership will include a \$100 surcharge. But there is a way to avoid that surcharge: Work for the club!

A suggested list is attached to this Newsletter. It is the individual members responsibility to keep track, and submit their list with their renewal in order to keep their dues at the lower amount of \$100 with no surcharge.

Renewals without the hours requirement (\$200) will be available online. To submit your hours with your \$100 renewal fee you will need to print and mail it or present it in person at the meeting. Members with disabilities preventing them from work need only let us know using the same form.

Have something you want to **Buy, Sell or Trade**? You can list it here in this Newsletter. Email John at NWSA.Training@gmail.com
